CAPTURE FUTURE INVESTMENT OPPORTUNITIES**

Luxembourg - January 29, 2020 – The Board of Directors of NB Aurora S.A. SICAF RAIF ("**NB Aurora**" or the "**Company**") has resolved to start the process of a share capital increase, within the limits of the authorised capital pursuant to Article 5.4 of the Company's Articles of Association. The share capital increase consists of (i) an offering with preferential subscription rights (the "**Preferential Subscription Rights**") to the existing shareholders of new Class A ordinary shares (the "**New Shares**") of the Company (the "**Rights Offering**") and (ii) in case the Preferential Subscription Rights are only partially exercised during the Rights Offering, a private placement to qualified investors whereby the Board of Directors will place any New Shares that were not subscribed in the Rights Offering (the "**Private Placement**", together with the Rights Offering, the "**Offering**").

The Preferential Subscription Rights will be tradable during the Rights Offering on the regulated Market for Investment Vehicles, Professional Segment, organized and managed by Borsa Italiana S.p.A. The Offering, which is expected to take place by the first half of 2020, will have an amount of about 150 million Euro. The terms and conditions of the Offering, including the subscription price and the prospective calendar, will be announced in due course.

The capital increase supports the overall purpose of NB Aurora to strengthen its capital providing the Company with supplemental resources to fuel its growth and capture future investment opportunities.

Since IPO in May 2018, NB Aurora has directly invested c. Euro 158 million (Euro 174 including PHSE whose closing is expected within 1Q2020) across 4 investments: the acquisition of 44.55% of the units of Fondo Italiano di Investimento ("FII") and minority stakes in Club del Sole, Dierre Group and Rino Mastrotto, collecting also co-investments for Euro 23 million mainly from Italian family offices. From the investment in FII, NB Aurora has already received c.
